

27th Annual NOVAC Star Gaze

Saturday, October 17 • 3-11 pm • Rain or shine

Welcome Stargazers!

NOVAC invites you to the largest public star gaze in the Washington DC area. Learn about astronomy while enjoying the night sky with hundreds of telescopes, binoculars, and homemade projects. Many experienced astronomers will be on hand to answer questions and share their knowledge.

You do not need to be a member of the club or own any astronomical equipment to attend. All you need is an interest in the wonders of the cosmos. Easy access, lots of equipment, and a dark sky make for a great night under the stars. Please join us!

Solar observing begins at 3 pm.

Location

C.M. Crockett Park, Fauquier County, Virginia
10066 Rogues Road (Rt. 602)
Midland, VA 22728
